

Privacy policy of this website

Marostica 25/05/2018

Privacy Policy pursuant the European Regulation 2016/679

UNIFORM S.r.l. protects the privacy of visitors to its website www.uniformsrl.it (hereinafter, the "Website") by taking all the appropriate measures for the protection of personal data under the provisions of the law. This policy describes the procedures for processing information provided by visitors to the website of UNIFORM S.r.l., www.uniformsrl.it, and the procedures for processing personal data. Any "personal data" collected through the website www.uniformsrl.it will be processed in conformity with EU Regulation 2016/679 ("General Data Protection Regulation" GDPR).

This policy is intended for all those who interact with the web pages on the website, both those who use the website without registering and those who complete the procedure to register with the website and enjoy the on-line services it provides, and those who send emails to the email addresses of this Website.

This policy is provided pursuant to art. 13 of the General Data Protection Regulation (GDPR). The data processing is carried out in compliance with the fundamental rights of freedom and personal dignity, with particular reference to privacy, personal identity and the right to the protection of personal data. Pursuant to article 13 of the General Data Protection Regulation (GDPR). Therefore, we are providing the following information:

Data Controller

The data controller is UNIFORM S.r.l. with registered offices at Via dell'Industria 14, Marostica (VI) (hereinafter, "UNIFORM").

All requests and enquiries relating to the processing of personal data can be sent to the above-mentioned Data Controller, at the following addresses:

address: Via dell'Industria, 14 - 36063 Marostica (VI);

e-mail address: info@uniformsrl.it

Collection of Information

The data are collected when a user browses the Website, registers on the Website and/or sends requests by email to the addresses indicated in the Website.

The optional, explicit and voluntary despatch of e-mail to the addresses given on this website involves subsequent acquisition, by UNIFORM S.r.l., of the sender's email address, which is necessary to respond to the sender's requests (including the sending of information concerning their products/services) as well as any other relevant personal data.

The provision of personal data is optional. Any partial or total failure to provide data by the visitor to the website will result in it being partially or entirely impossible to accomplish the purposes described in this policy and therefore it will not be possible to follow up on any requests made through the Website.

Other information, collected by UNIFORM S.r.l., may be provided automatically upon accessing the Website.

This information is not collected to be paired with identified persons, but by its very nature it could, through processing and linking with data held by third parties, allow users to be identified.

It is also allowed to visit the Website anonymously. In this case, UNIFORM S.r.l. will not be able to recognize the user, so some of the benefits deriving from using the website may not be available.

The personal data collected and made available at UNIFORM will be processed with electronic and non-electronic instruments.

Retention of Information

Personal data will be retained only for the time necessary to ensure the proper provision of the services offered by UNIFORM.

In case of cancellation, exclusion or disabling due to a lack of use of your account on the Website, the data will be retained for the time allowed by law, without prejudice to any specific legal obligations on retaining documentation or for public safety purposes. In such cases, automatic deletion of the data will be guaranteed.

After this period, the data will be processed anonymously, so as not to allow, even indirectly, identification of the persons concerned.

Purpose of Data Processing

The processing of personal data (including their registration in the UNIFORM database) is aimed exclusively at accomplishing the following objectives:

- Ensure registration with the Website and proper delivery of the content and services offered by UNIFORM via the Website and, therefore, correct and prompt fulfilment of all the obligations deriving from the law or the regulations in force;
- Communicate with the user of the website and respond to any requests from said user;
- Carry out market research and statistical surveys;
- Evaluate the use of the website and its contents;
- Improve the products and services offered by UNIFORM;
- Make communications relating to press conferences and/or send press material (for journalists only);
- Process data in connection with the business of UNIFORM S.r.l.

Personal data and information acquired by UNIFORM via the Website will be processed by UNIFORM for purposes relating to the execution of contractual obligations entered into subsequently.

Please note, also, that your consent to the processing of data for one or more of the purposes indicated above may be withdrawn at any time by modifying the consent data whenever you access the Website.

Communication – Dissemination

UNIFORM S.r.l. may transfer any personal data collected through the website <http://www.uniformsrl.it/> to external service providers even if only for technical-IT reasons. In these cases, the data transfer will be carried out in accordance with the conditions of legality laid down in art. 44 and following of the General Data Protection Regulation (GDPR).

The personal data may also be communicated to:

- Subjects (including public authorities) who have access to the personal data pursuant to legislative or administrative measures;
- Companies, consultants or professionals appointed to install, service, update and, in general, manage UNIFORM hardware and software or that UNIFORM engages in providing its services;
- Third parties or Internet providers engaged for sending the documentation and/or information material;
- Public and/or private subjects, natural persons and/or legal entities (Judicial Offices, Chambers of Commerce, Labor Departments, etc.), when the communication is necessary or useful to fulfil obligations under the law.

Other Websites

The Website may contain hyperlinks to other websites that may offer useful information to visitors. This privacy policy also applies to these websites and, as a result, the information concerning their privacy procedures will be carried out in accordance with the provisions of this privacy policy.

Cookies

During their normal operation, the computer systems and software used to operate this website acquire some personal data whose transmission is implicit in the use of Internet communication protocols. Automatic data collection technologies include, for example, cookies.

Cookies are pieces of information that are automatically stored on your computer's hard drive on accessing certain websites and they identify your browser uniquely. Cookies enable storing information on the server to help improve navigation and conduct analysis to evaluate the performance of the website. Most Web browsers accept cookies automatically: the user can however modify their browser settings so as to refuse all cookies or to be alerted when any are sent. Please note that some areas of the Website may not function properly if you refuse cookies.

Consent

By using the Website, you consent to the collection and use of information by UNIFORM S.r.l. in accordance with the terms and conditions set forth in this privacy policy. If UNIFORM S.r.l. decides to change this privacy policy, which it can do at any time and without notice, these changes will be published on this page. By continuing to use the website after UNIFORM S.r.l. has published changes to this privacy policy, you agree to those changes. We recommend that you periodically check this page to learn about any changes to this privacy policy.

Rights of the persons concerned

Finally, we remind you that pursuant to articles 15 to 20 of the General Data Protection Regulation, the persons concerned have the right to:

1. access their data and obtain confirmation from the Data Controller to that such data exists and communication of the data in a form that is easy to understand;
